To the holders of ordinary shares of The Berkeley Group Holdings plc

Dear Shareholder,

Annual General Meeting

Introduction

I am pleased to invite you to the 2018 Annual General Meeting of The Berkeley Group Holdings plc (the "Company" or "Berkeley") which will be held at the Woodlands Park Hotel, Woodlands Lane, Stoke D'Abernon, Cobham, Surrey KT11 3QB on Wednesday 5 September 2018 at 11:00am. It is your opportunity to meet with the Directors and to question them about issues that concern the Company and I therefore encourage you to attend.

Please write to me at the above address if you would like to ask a specific question at the meeting.

I am also delighted to enclose a copy of the Annual Report and Accounts for the year ended 30 April 2018 (the "Annual Report").

Summary of Resolutions

The full form of the resolutions is set out in the Notice of Annual General Meeting accompanying this letter. However, by way of summary, we will be proposing the following: (a) that the accounts for the year ended 30 April 2018 be received; (b) that the Annual Report on Remuneration for the year ended 30 April 2018, be approved; (c) that the Directors be re-elected/elected; (d) that KPMG LLP be reappointed as auditors; (e) that new Articles of Association of the Company be adopted; (f) that the Directors be authorised to allot a percentage of the share capital of the Company and that authority be granted for the allotment for cash of certain of those shares without reference to shareholders' pre-emption rights; (g) that the authority be renewed allowing the Company to purchase its own shares in the market; (h) that the authority be renewed allowing the Company to make donations to EU political organisations and to incur EU political expenditure; and (i) that extraordinary general meetings may be held on 14 days' notice.

Presentation of report and accounts (Resolution 1)

In accordance with section 437 of the Companies Act 2006 (the "Act"), Directors must present the report of the Directors and the accounts of the Company for the year ended 30 April 2018 to shareholders at the Annual General Meeting. The report of the Directors, the accounts and the report of the Company's auditors on the accounts and on those parts of the Remuneration Report that are capable of being audited are contained within the Annual Report.

Remuneration Report (Resolution 2)

In accordance with section 439 of the Act, shareholders are required to approve the Annual Report on Remuneration as presented on pages 94 to 115 of the Annual Report. In accordance with the Act the resolution in respect of the Annual Report on Remuneration is advisory only in order to provide shareholder feedback to the Company's Board of Directors (the "Board") and does not affect the future remuneration paid to any Director.

At the Extraordinary General Meeting held on 23 February 2017, the Directors' remuneration policy was approved by the shareholders. The Directors' remuneration policy is not therefore required to be approved at this year's Annual General Meeting.

Resolution 2 seeks shareholders' approval for the Annual Report on Remuneration which can be found on pages 94 to 115 of the Annual Report.

Re-election and election of Directors (Resolutions 3 to 18)

The Articles of Association of the Company include the requirement for Directors to submit themselves to shareholders for re-election every three years. In addition, all Directors are subject to election by shareholders at the first opportunity after their appointment and thereafter at intervals of no more than three years. The Board has, however, adopted the provision in the UK Corporate Governance Code 2016 (the "Code") whereby all Directors are subject to annual re-election. Therefore at this Annual General Meeting all the Directors, will retire and are offering themselves for re-election or for election if the appointment has taken place during the year.

The Board has considered the effectiveness and independence of the current Non-executive Directors under the Code on an annual basis, taking into account each individual's professional characteristics, behaviour and their contribution to unbiased and independent debate. It has concluded that the Non-executive Directors, led by the Senior Independent Director Glyn Barker, have the skills, experience, independence and knowledge of the Company to enable them to discharge their respective duties and responsibilities skilfully and effectively. The Board annually reviews the outside directorships and time commitments of the Non-executive Directors. The Non-executive Directors' letters of appointment set out the expected time commitment and the Board has determined that each Non-executive Director is able to allocate sufficient time to the Company to discharge their responsibilities effectively. During the year

the Board met formally four times and there were no absences. Those Non-executive directors who are committee members attended all of their respective committee meetings during the year. All of the Non-executive Directors presenting themselves for re-election are considered to have been independent in character and judgement throughout the year and are free of any other business or other relationship with the Group. Brief biographical details of the Directors are set out in Appendix 1 to this notice.

Following the annual evaluation of the Board and its committees, which this year was carried out by the Group Solicitor, the Board is satisfied that each Director standing for re-election continues to make effective and valuable contributions to the Board and to demonstrate commitment to the role.

Reappointment of auditors and auditors' remuneration (Resolutions 19 and 20)

In accordance with section 489 of the Act, the auditors of a company must be reappointed at each general meeting at which accounts are laid. Resolution 19 proposes the reappointment of the Company's existing auditors, KPMG LLP, until the conclusion of the next general meeting of the Company at which accounts are laid. Resolution 20 gives authority to the audit committee to determine the auditors' remuneration.

Adoption of new Articles of Association (Resolution 21)

It is proposed in resolution 21, which is a special resolution, to adopt new Articles of Association (the "New Articles") in order to update the Company's current articles of association (the "Existing Articles") to take account of changes to law and practice since our current articles of association were last updated in 2010. The principal changes introduced in the New Articles are summarised in Appendix 2. Other changes, which are of a minor, technical or clarifying nature have not been noted in Appendix 2. The New Articles showing all the changes to the current articles of association are available for inspection, as noted on page 15 of this document.

Allotment of shares (Resolution 22)

Your Directors may allot shares and grant rights to subscribe for, or convert any security into, shares only if authorised to do so by shareholders pursuant to section 551 of the Act. The authority granted at the last Annual General Meeting is due to expire at the conclusion of this year's Annual General Meeting or on 31 October 2018, whichever is earlier. Accordingly, resolution 22 will be proposed as an ordinary resolution to grant new authorities to allot shares and grant rights to subscribe for, or convert any security into, shares. If given, these authorities will expire at the conclusion of the Company's next Annual General Meeting or on 31 October 2019, whichever is the earlier.

Paragraph (a) of resolution 22 will allow the Directors to allot ordinary shares up to a maximum nominal amount of £2,222,816 representing approximately one third (33.33%) of the Company's existing issued share capital (excluding treasury shares), calculated as at 25 July 2018 (being the latest practicable date prior to publication of this document). In accordance with the latest institutional guidelines issued by the Investment Association (the "IA"), paragraph (b) of resolution 22 will also allow the Directors to allot, including the ordinary shares referred to in paragraph (a) of resolution 22, ordinary shares in connection with a pre-emptive offer by way of a rights issue to ordinary shareholders up to a maximum nominal amount of £4,446,298, representing approximately two thirds (66.67%) of the Company's existing issued share capital (excluding treasury shares) calculated as at 25 July 2018 (being the latest practicable date prior to publication of this document). The Directors have no present intention of allotting new ordinary shares other than in relation to the Company's employee share schemes. However, the Board considers it appropriate to maintain the flexibility that this authority provides. If they do exercise the authority, the Directors intend to follow emerging best practice as regards its use (including, where appropriate, the Directors standing for re-election) as recommended by the IA.

As at 25 July 2018 (being the latest practicable date prior to publication of this document), the Company holds 6,774,903 shares in Treasury. This represents 5.08% of the total ordinary share capital in issue (excluding treasury shares) as at 25 July 2018 (being the last practicable date prior to the publication of this notice).

Pre-emption rights (Resolutions 23 and 24)

Your Directors also seek a power from shareholders pursuant to sections 570(1) and 573 of the Act to allot equity securities or sell treasury shares for cash without complying with the pre-emption rights in the Act in certain circumstances. The power granted at the last Annual General Meeting is due to expire on 31 October 2018, or at the conclusion of this year's Annual General Meeting, whichever is the earlier. Accordingly, resolutions 23 and 24 will be proposed as special resolutions to grant such power. This disapplication authority is in line with institutional shareholder guidance, and in particular with the Pre-Emption Group's Statement of Principles (the "Pre-Emption Principles") which were revised in March 2015 to allow the authority for an issue of shares for cash otherwise than in connection with a pre-emptive offer to include: (i) an authority over 5% of the company's issued share capital for use on an unrestricted basis; and (ii) an additional authority over a further 5% of a company's issued share capital for use in connection with an acquisition or specified capital investment announced contemporaneously with the issue, or which has taken place in the six month period preceding the announcement of the issue.

Resolution 23 will permit the Directors to allot:

- (a) equity securities for cash and sell treasury shares up to an aggregate nominal value of £4,446,298 representing two-thirds of the Company's issued share capital as at 25 July 2018 (the latest practicable date prior to the publication of this document) on an offer to existing shareholders on a pre-emptive basis including a rights issue or an open offer (in the case of the authority granted under paragraph (b) of resolution 22 by way of a rights issue only), in each case subject to any adjustments, such as for fractional entitlements, as the Directors see fit; and
- (b) equity securities for cash and sell treasury shares up to a maximum nominal value of £333,456 representing approximately 5% of the Company's issued share capital less treasury shares as at 25 July 2018 (the latest practicable date prior to the publication of this document) otherwise than in a pre-emptive offer to existing shareholders.

Resolution 24 will permit the Directors to allot additional equity securities for cash and sell treasury shares up to a maximum nominal value of £333,456 representing approximately 5% of the Company's issued share capital less treasury shares as at 25 July 2018 (the latest practicable date prior to the publication of this document), otherwise than in connection with a pre-emptive offer to existing shareholders only in connection with an acquisition or specified capital investment as contemplated by the Pre-Emption Principles described above.

As noted in resolution 22 above, the Directors have no present intention of allotting ordinary shares other than in relation to the Company's employee share schemes. However, the Board considers that it is in the best interests of the Company and its shareholders generally that the Company should seek the maximum authority permitted by the pre-emption guidelines and preserve flexibility conferred by resolutions 23 and 24 to conduct a pre-emptive offering without complying with the strict requirements of the statutory pre-emption provisions and to finance business opportunities quickly and efficiently when they arise.

If given, this power will expire upon the expiry of the authority to allot shares in resolution 24 (that is at the conclusion of the Company's next Annual General Meeting or, if earlier on 31 October 2019). In accordance with the Pre-Emption Principles, the Directors do not intend to issue more than 7.5% (excluding treasury shares) of the issued share capital of the Company for cash on a non-pre-emptive basis in any rolling three year period without prior consultation with shareholders and the investment committees of the IA and Institutional Shareholder Services.

Purchase of the Company's own shares (Resolution 25)

In accordance with section 701 of the Act, this resolution, which is a special resolution, will give the Company authority to purchase its own shares in the market up to a limit of 10% of its issued ordinary share capital (excluding treasury shares) as at 25 July 2018 (being the last practicable date prior to the publication of this document). The maximum and minimum prices are stated in the resolution. Your Directors intend to use the authority granted by this resolution to continue making market purchases of the Company's ordinary shares as a method of returning value to shareholders and believe that it is advantageous for the Company to have this flexibility. Your Directors will exercise this authority only if they are satisfied that a purchase would result in an increase in expected earnings per share and would be in the interests of shareholders generally.

Listed companies purchasing their own shares are allowed to hold them in treasury as an alternative to cancelling them. No dividends are paid on shares while they are held in treasury and no voting rights are attached to treasury shares. It is the Company's current intention to hold the shares that it may purchase in treasury pursuant to the authority granted to it (sometimes for use in connection with the Company's employee share schemes). However, in order to respond properly to the Company's capital requirements and prevailing market conditions, the Directors will from time to time reassess whether to hold the shares it purchases pursuant to this authority in treasury or cancel them, provided it is permitted to do so.

As at 25 July 2018 (being the latest practicable date prior to publication of this document), the total number of options over shares that were outstanding under all of the Company's share option plans was 9,890,858, which if exercised would represent 7.4% of the Company's issued share capital at that date (excluding treasury shares). If the Company were to purchase its own shares to the fullest possible extent of its authority from shareholders (existing (from last year's Annual General Meeting which is due to expire at the end of this Annual General Meeting) and being sought), this number of outstanding options could potentially represent 8.2% of the issued share capital of the Company (excluding treasury shares). There are no warrants over ordinary shares in the capital of the Company outstanding.

Unless renewed, revoked or varied, this authority will expire at the conclusion of the next Annual General Meeting of the Company after the date on which this resolution is passed or, if earlier, on 31 October 2019.

**Political donations and expenditure (Resolution 26)**

The Company intends to renew the authorisation to make donations to political organisations and to incur political expenditure. Whilst it is the Company's policy not to make donations to political parties, section 366 of the Act contains restrictions on companies making donations or incurring expenditure in relation to political organisations. Therefore, as any expenditure which is regulated by the Act requires shareholder approval, the Directors consider that it is prudent to seek such approval in order to avoid inadvertent infringement of the Act.

The Company has no intention of making a political donation. This authority shall expire at the conclusion of the next Annual General Meeting of the Company after the date on which this resolution is passed.

Notice of general meetings (Resolution 27)

The Companies (Shareholders' Rights) Regulations 2009 have increased the notice period required for general meetings of the Company to 21 days unless shareholders agree to a shorter notice period, which cannot be less than 14 clear days. Annual General Meetings will continue to be held on at least 21 clear days' notice.

At the 2017 Annual General Meeting, a resolution was passed approving the Company's ability to call general meetings on not less than 14 clear days' notice. As this approval will expire at the conclusion of this Annual General Meeting, resolution 27, which is a special resolution, proposes its renewal.

The shorter notice period, if approved, would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. The renewed approval will be effective until the conclusion of the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed.

Shareholders should note that the changes to the Act mean that, in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting.

Voting at the meeting

At the meeting itself, voting on all resolutions will be conducted by way of a poll. Further details on voting are set out in the notes to the Notice of Annual General Meeting.

Voting by proxy

If you would like to vote on the resolutions but cannot come to the Annual General Meeting, you can appoint a proxy to exercise all or any of your rights to attend, vote and speak at the Annual General Meeting by using one of the methods set out in the notes to the Notice of Annual General Meeting on pages 13 to 15 of this document.

Shareholders are requested, whether or not they propose to attend the Annual General Meeting, to complete and return the enclosed Form of Proxy to Link Asset Services, PXS 1, 34 Beckenham Road, Beckenham BR3 4ZF so as to arrive as soon as possible but in any event by no later than 11:00am on 3 September 2018. A reply paid envelope is enclosed for the return of the Form of Proxy. The lodging of Forms of Proxy will not prevent shareholders from attending and voting in person, should they so wish.

Recommendation

The Board considers the proposed resolutions to be in the best interests of the Company and its shareholders as a whole and are therefore likely to promote the success of the Company.

Accordingly, the Board recommends unanimously that you vote in favour of the proposed resolutions and intend to vote in favour of the proposed resolutions in respect of their own beneficial shareholdings in the Company.

Yours faithfully
A W Pidgley, CBE
Chairman

SUMMARY OF THE PRINCIPAL CHANGES TO THE COMPANY'S ARTICLES OF ASSOCIATION

Under resolution 21, the Company is proposing to adopt the New Articles. Set out below is a summary of the principal changes made to the Existing Articles. The New Articles also include some other minor modernising and clarificatory amendments which are not detailed below. References to Articles below are to the New Articles.

Untraced Shareholders (Articles 49, 51 and 52)

Under the Existing Articles, the Company is required to provide notice to untraced shareholders of its intention to sell their shares by way of an advertisement in a national newspaper and in a local newspaper. Under the New Articles, the Company must instead send a notice to the last registered address of the shareholder and take such steps it considers reasonable to trace the shareholder including, if appropriate, using a professional asset reunification company or tracing agent. The New Articles treat the proceeds of such a sale as forfeited by the former shareholder if there is no claim for the proceeds within three years after the sale.

Quorum at general meetings (Article 64)

Article 63 has been amended to make it clear that two persons who are proxies for the same member or representatives of the same body corporate can constitute a quorum.

Adjournments (Article 67)

Article 66 has been amended to permit the chairman of the meeting, at any time without consent, to adjourn the meeting where such an adjournment is necessary to protect the safety of any person attending the meeting. In addition, the Existing Articles state that where a meeting has been adjourned for 30 days or more, the Company must give not less than seven clear days' notice of the adjourned meeting specifying the day and place of such meeting. Under the New Articles, the 30 days has been reduced to 14 days.

Voting Record Date (Article 72)

The new Articles include a provision, expressly dealing with the method for determining which persons are allowed to attend or vote at a general meeting of the Company and how many votes each person may cast. Under this new provision, when convening a meeting the Company may specify a time, not more than 48 hours before the time of the meeting (excluding any part of a day that is not a working day), by which a person must be entered on the register of members in order to have the right to attend or vote at the meeting. This new provision is in line with a requirement for listed companies in the 2006 Act.

Directors' fees and expenses (Article 89)

Under the Existing Articles, the Company may pay fees to the Directors of up to £500,000 in aggregate each year (or such larger amount as may be approved by ordinary resolution) for their services as Directors. This basic limit was increased to £1,000,000 by an ordinary resolution of the Company in February 2017, and therefore Article 89 has been amended to reflect this increased limited.

Payment of interim and fixed dividends by Directors (Article 128)

The New Articles provide some additional flexibility to the Directors to pay dividends at such intervals at a fixed rate if it appears to them that the profits available for distribution justify the payment.

Forfeiture of dividends (Article 135)

The New Articles provide that if the Company sells the shares of an untraced shareholder then any dividend or other money unclaimed in respect of those shares will be forfeited after a period of three years.

Service of Notice (Article 145)

Under the Existing Articles, in the event of a postal strike, or in circumstances where delivery of a notice by electronic means is unavailable, the Company will be required to advertise the notice of meeting in at least one newspaper. Under the New Articles this has been increased to at least two newspapers.

Indemnity of directors (Article 153)

The directors' indemnity provision has been amended to make it clear that the Company may, subject to the provisions of the 2006 Act, indemnify a director of an associated company.

NOTES

1. Voting record date

Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001 and section 311(3) of the Companies Act 2006 (the "Act"), the Company specifies that in order to have the right to attend and vote at the Annual General Meeting (and also for the purpose of determining how many votes a person entitled to attend and vote may cast), a person must be entered on the register of members of the Company at 6:30pm on 3 September 2018, or, in the event of any adjournment, at 6:30pm on the date which is two business days before the day of the adjourned meeting. Changes to entries on the register of members after this time shall be disregarded in determining the rights of any person to attend or vote (and the number of votes they may cast) at the meeting or the adjourned meeting.

2. Proxies

A member is entitled to appoint another person as his proxy to exercise all or any of his rights to attend, to speak and to vote at the Annual General Meeting. A member may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him. A proxy need not be a member of the Company but must attend the Annual General Meeting to represent the member. The proxy must vote as the member instructs and must attend the meeting for the member's vote to be counted. A Form of Proxy for the meeting is enclosed. Details of how to appoint a proxy are set out in the notes to the Form of Proxy.

To be valid any Form of Proxy or other instrument appointing a proxy must be received by post or by hand (during normal business hours only) by the Company's registrar Link Asset Services, PXS 1, 34 Beckenham Road, Beckenham BR3 4ZF no later than 11:00am on 3 September 2018. If you are a CREST member, see note 4 below.

Completion of a Form of Proxy, or other instrument appointing a proxy or any CREST Proxy Instruction, will not preclude a member attending and voting in person at the meeting if he/she wishes to do so.

Electronic proxy voting is available for this meeting. If you would like to submit your voting instructions using the web-based voting facility please go to www.signalshares.com and enter 'The Berkeley Group Holdings plc'. If you have not already registered for Signal Shares you will need your Investor Code which can be found on your share certificate or recent dividend confirmation. Once registered you will be able to vote immediately by selecting 'Proxy Voting' from the menu. In order to be a valid proxy appointment, the member's electronic message confirming the details of the appointment completed in accordance with those instructions must be transmitted so as to be received no later than 11:00am on 3 September 2018. The proxy appointment will not be accepted if found to contain a computer virus.

3. Nominated Persons

A copy of this notice has been sent for information only to persons who have been nominated by a member to enjoy information rights under section 146 of the Act (a "Nominated Person"). The rights to appoint a proxy cannot be exercised by a Nominated Person; they can only be exercised by the member. However, a Nominated Person may have a right under an agreement between him and the member by whom he was nominated to be appointed as a proxy for the meeting or to have someone else so appointed. If a Nominated Person does not have such a right or does not wish to exercise it, he may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.

4. CREST

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST Manual on the Euroclear website (www.euroclear.com/CREST). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID number - RA10) by 11:00am on 3 September 2018. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

Please note that the Company takes all reasonable precautions to ensure no viruses are present in any electronic communication it sends out but the Company cannot accept responsibility for loss or damage arising from the opening or use of any email or attachments from the Company and recommend that the shareholders subject all messages to virus checking procedures prior to use. Any electronic communication received by the Company, including the lodgement of an electronic proxy form, that is found to contain any virus will not be accepted.

5. Corporate Representatives

A member of the Company which is a corporation may authorise a person or persons to act as its representative(s) at the Meeting. In accordance with the provisions of the Act, each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual member of the Company, provided that they do not do so in relation to the same shares.

6. Questions

Any member attending the Annual General Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

7. Voting at the meeting

Voting on Resolutions 1 to 27 will be conducted by way of a poll rather than a show of hands. This is a more transparent method of voting as member votes are to be counted according to the number of shares held. Members and proxies will be asked to complete a poll card to indicate how they wish to cast their votes. These cards will be collected at the end of the meeting. As soon as practicable following the Annual General Meeting, the results of the voting at the Annual General Meeting and the numbers of proxy votes cast for and against and the number of votes actively withheld in respect of each of the Resolutions will be announced via a Regulatory Information Service and also placed on the Company's website: www.berkeleygroup.co.uk.

The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website.
